## Custard mixes **IMPERIALE**

### **IMPERIALE**

**IMPERIALE** is a top quality product that enables you to rapidly produce custards with exceptional taste and an unbeatable look.

With **IMPERIALE** you obtain a cream oven and freeze resistant.

Packaging:  
10 kg bags.

Direction to use:

**IMPERIALE** 350-400g  
Water 1000 g

Add **IMPERIALE** to the cold water. Mix slowly reaching a dense cream. Mix in planetary mixer equipped with whisk at high speed for 5 minutes so that to obtain a smooth, light and glossy cream.

#### **NOTES:**

**IMPERIALE** contains high quantity of milk and we therefore recommend that all containers and equipment are cleaned thoroughly; also avoid any type of contamination. Prepare only the quantity of the product that will be used immediately. The custard must be kept in a refrigerator.
